Silicon Valley Academy Parent Volunteer Agreement 2019-2020

Silicon Valley Academy strongly encourages parents to have a high level of involvement in their child(ren)'s education. Volunteer hours are critical to the success of our programs at SVA.

We encourage parents to volunteer a total of 15 hours per family, per semester. Parents must allocate a minimum of 8 of the 15 hours per semester to PTA sponsored tasks or events. The remaining hours per semester may go towards other SVA volunteer tasks created by teachers or other staff members.

NOTE: Volunteer hours do not carry over between semesters or years.

Parents must provide two checks for volunteer hours in the amount of \$300 at the time of enrollment. The checks should be post-dated as follows:

- January 13, 2020
- June 12, 2020

The checks will be cashed only in the following events:

- If the 15 volunteer hours from the first semester are not fulfilled by January 13, 2020, the first volunteer check of \$300 will be cashed.
- If the 15 volunteer hours from the second semester are not fulfilled by June 12, 2020, the second check of \$300 will be cashed.

We look forward to your contribution to SVA for the benefit of the children.
